MATHS BUDDY FREE TRIAL

Kai Ora Mahuri Whanau,

The Mahuri team has been given an opportunity to trial Maths Buddy which is an online maths tutoring support for students ranging from Years 1-13.

Our Year 7/8 students at Ashgrove School has been using Maths Buddy since 2016 and have found it to be an extremely valuable teaching and support tool within the classroom and at home. Many schools use Maths Buddy as part of their mathematics programme.

As a team we see the benefits in trialling Maths Buddy to consolidate and extend learning.

What this programme offers (from the website):

- Video tutorial for every mathematics concept
- Clear explanations
- Pause, rewind or repeat a lesson
- Learn faster by seeing and hearing at the same time
- Learn without stress at home in their own time
- Catch up on lessons missed or not understood
- Every lesson in the NZ Maths Curriculum

How it will work:

- Students will be given a Username and Password to have at school and at home
- Parents can check on their child's progress at any stage and access their reports
- Mahuri kaiako will allocate set tasks or encourage the children to use the speed skills at the bottom of the (home page).
- Free trial for all of Term 1
- Review how effective Maths Buddy has been with surveys, assessments, feedback from children, parents and kaiako.

Attached with this letter are further instructions how to log on with your child's username and password.

If you have any questions please do not hesitate to speak to your child's ngāhere kaiako.

Thank you for your support.

“Maths Buddy Works”

The foundation of all student success in school is the relationship between teacher and Parent. **Parents can check on their child’s progress at any stage and have access to their child’s reports, anywhere and anytime – for free.**

How is this done? Go to www.mathsbuddy.co.nz

Click on 'Parent Login',

Your screen will then look like this ...

Parents' Area

Option 2

Parents whose child has an account provided by his/her school

Newsletter Announcement - Information for Parents

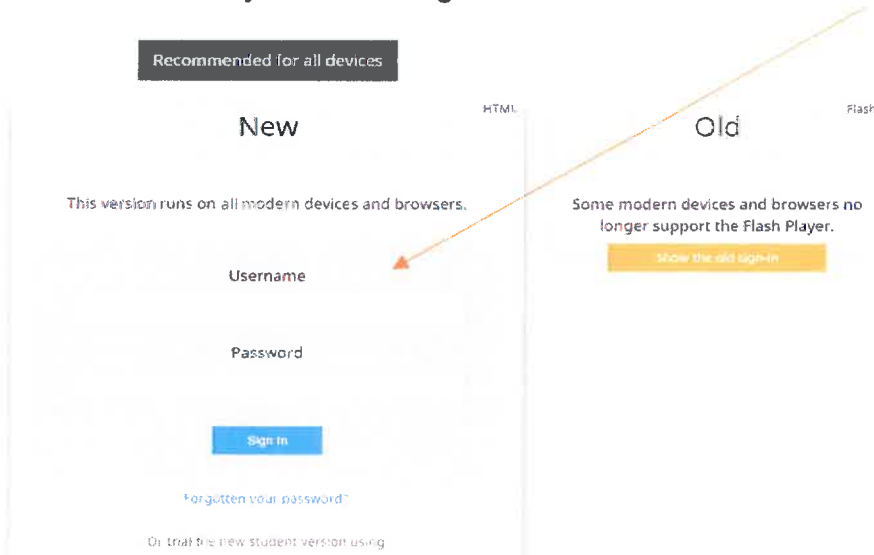

We would like to announce the opportunity for our school community to trial and evaluate MathsBuddy. This programme enables students to control the pace of their own learning and further assists teachers to ensure that no-one misses out. This is because the key feature of this programme is that there is a

Video Tutorial for Every Mathematics Concept.

- To see what your child will experience go to www.mathsbuddy.co.nz

- Then ask for your child's login details and insert them here

- Now you will have access to **every** lesson in the NZ curriculum from year 1 to 13 by selecting "Browse All Lessons"
