- Upon arrival at the pool, pupils change. Clothes must be put in bags and brought out to the seating area. All swimmers should have something warm on over togs and go directly to the respective event seating areas.
- Beginning swimmer and middies events will run at the same times as the competent and championship swimmers.
- It is important that after each race final the children who get 1st, 2nd or 3rd go to the result table and have their full name and House recorded. After each race children go straight back to the marshalling area to wait for their next race.
- This year we will encourage the children to eat judiciously between events due to our extended time at the pool complex.
- After the 8 & 9 year olds swimming events (at approximately 12.30pm), when the children are changed, they must return to class groups for the roll to be completed. We will then proceed out to Dudley Park to have some lunch and recreation time. Jo will then organise the children for the walk back to Ashgrove. Parent Walkers as above, except for those staying for the afternoon session.
- At 12.15pm the 10, 11 & 12 year olds will have an early lunch at Dudley Park. Charlotte will liaise with the teachers as to when the children will proceed to the pool to get changed. After the 10, 11 & 12 year olds events they will be dismissed for the day from Dudley Aquatics Centre.
