MAHURI MATHS BUDDY TERMS 2-4

Kia Ora Mahuri Whanau,

This term we have had a free trial of Maths Buddy and it is now time to review it. We have had an overall positive response from Kaiako, tamariki and parents from the recent survey sent out to the Mahuri school community. We have noticed an increase in the Mahuri student's focus and engagement during Maths time. Maths Buddy balances our programme between small group instruction, learning coach supported independent tasks, Maths Ako Stations, extension and consolidation of strategies and knowledge and basic facts learning.

The Mahuri team would like to continue using Maths buddy to support your child's maths learning for the remainder of the year. We highly recommend the programme as Maths Buddy supports our maths curriculum and delivery, and provides opportunities for children to improve their understanding of maths concepts and become confident with numbers at their pace. It also offers valuable information for us to design and tailor our programmes to meet the needs of our students.

Maths Buddy will cost \$18.50 payable via Wrap It Up for the remainder of the year. We thank Maths Buddy for providing us with a highly discounted rate per child. Please note, your child will no longer be able to access the free Maths Buddy after term one. The last day for payment of Maths Buddy is Sunday **30 April**.

Please complete the attached form and return to the Rata and Kowhai drop boxes by **Monday 10 April**.

Thank you for your support with your child's maths education. If you have any questions, please don't hesitate to ask.

Ngā mihi nui
