Dear Parents / Caregivers

The Board has been advised that the new logo zip through polar fleece tops have arrived in The Warehouse, Rangiora.

At this stage any ¼ zip fleeces that have the old logo on them will continue to be sold. As the sizes run out they will be replaced with the new logo ¼ zip fleeces. The zip through polar fleece tops will have all sizes available except sizes 8 and 10 as they are awaiting a shipment of these to arrive. These won't be available until July, but parents can put their name down with the staff at The Warehouse if you wish to wait for these sizes to arrive.

The Warehouse will be selling **¼ zip polar fleece tops and vests (with the old logo ONLY) at a discounted price of 50% effective from today** while stocks last. No orders or holds and this offer is only until the old logo stock runs out.

The two year changeover period for the old uniform items won't start until the end of the school year 2017.

Parents will have until the start of the 2020 school year before ALL new uniform items are made compulsory.

The 50% sale gives you plenty of time to get wear out of these fleeces until the logo is changed over.

As advised previously the new polo tops are still on schedule to be available for Term 4. For any clarification on the school uniform please view the uniform requirements on the school website.

Regards

Board of Trustees
