Dear Parents and Caregivers

## **“Rescue Me!” Topic**

Yesterday, Lesley Ottey from Enviro Waste came in to talk to our team about recycling and repurposing. Next Wednesday she is going to work with each home room on a special project involving old, clean soft toys. While Lesley has a small supply she has asked if the children could bring along an old soft toy that is no longer needed from home. The toy needs to be washed.

If you have an old soft toy that you are happy to donate for this topic please send it along on Wednesday next week.

Kind regards

Trudy Miles
