Kia Ora Rata Whanau

Waimakariri Library Visit

Over the past couple of weeks we have been working on our Science Fair projects. Your child has chosen a 'science world' to base their science fair around and has developed a question that they are going to research further. As part of this research, each science world group will visit the Waimakariri Library. The Library team will show and teach students how to research using some key e-resource material and they will have an opportunity to find information from their book collection with the help from the librarians.

Each science world group will travel by bus to and from the library on the following days:

Tuesday 29th August

- Material World (with Mrs Stearn) - library session 11:00am - 12:30pm
- Physical World (with Mrs Bester) - library session 1:00pm - 2:30pm

Thursday 31st August

- Living World (with Mrs Heeman) - library session 11:00am - 12:30pm
- Planet, Earth and Beyond (with Mrs Keane) - library session 1:00pm - 2:30pm

If you are available and would like to accompany us to the library, please complete the appropriate part of the form below and return to your child's ngahere kaiako. Thank you in advance for your support.

We know that the visit will be engaging, hands on and a valuable learning tool for our students. Please complete the permission form for your child and return to their ngahere kaiako by Monday 28 August.
