## YEAR 5 ST JOHN IN SCHOOL FIRST AID PROGRAMME

In week 8, Mahuri ākongā are engaging in a Health programme. The focus for the Year 5's is First Aid. St John in Schools educators will be coming in on Monday 4<sup>th</sup> December to run a morning programme with Year 5 ākongā.

This programme aims to provide young people with the skills and knowledge to take responsibility for their own health and well-being and the well-being of others. The St John in Schools programme provides learning experiences for ākongā to empower them to act in an emergency.

Following on from this, we will be looking further into Staying Safe, Helping Save Lives and Community Action through a variety of learning experiences in our hubs.

As St John's is a non-profit community organisation, the cost for each child for the programme is \$2.60. Please pay this via Kindo by **Friday 1<sup>st</sup> December.**

Thank you for your support.
